

RIDGID®

460 TRISTAND®

Portable TRISTAND® Chain Vise

Stand up to tough welding, threading and grooving demands!

The Ridge Tool Company has new portable chain vise stands for up to 12" diameter pipe. These versatile stands are designed to meet your rugged jobsite needs year after year.

Portable 460-6 TRISTAND Chain Vise

- **Optimized Base For More Working Area** – Benders are located at the rear of the base which provides 40% more working surface and three tool hangers are provided.
- **Integrated Ground Lug** – Provides a conductive surface to connect the weld ground.
- **Self Hooking for 4" Pipe** – No need to use a second hand to engage the chain into the wear plate.
- **Leg Chain** – Retains legs even when subjected to rugged use during operation and transport.
- **Rugged Tool Tray** – Prolonged stability before requiring a leg adjustment.

The 460-12 has all the features of the 460-6 model Plus:

- **12" Jaws & Extended Chain** – Grip up to 1/8" - 12" pipe.
- **Adjustable Rear Leg** – Provides the ability to level the stand.
